Family and Friends of MYSA,

On behalf of Methuen Youth Soccer Association, thank you for another successful year of support and participation. Our Association is entering our 34th season, and continues to grow thanks to your participation and support. With your willingness to volunteer, MYSA helps provide our community a great place for kids to grow and thrive. We were all saddened to hear that one of our longtime volunteer coaches passed away unexpectedly this past November. Tony Moretto started coaching at the MKS fields in 2009 and continued that role at the Gill and Ashford fields as his children grew through the program.

Tony's years of dedication in volunteering left a wonderful impression on the children he coached and this city. We were lucky to have him as part of our community, and the hundreds of kids that he coached season after season will forever remember his fun loving nature, care free attitude and positive spirit.

The Methuen Youth Soccer Board of Directors found it fitting and voted unanimously to carry on his legacy by naming our annual scholarship in his honor for his years of commitment and volunteerism.

We hope everyone had a wonderful holiday season, and we look forward to the upcoming Spring 2020 season.

Yours in Soccer,

Danielle Osorio
