

Methuen Youth Soccer – Travel Team Information & Tryout Schedule Spring 2018 Tryouts for Fall 2018/Spring 2019 Teams

Basic Information

Travel Soccer is the next level up from the In-Town recreational league. This level provides for a higher level of competitive soccer. Methuen is affiliated with the Essex county Youth Soccer Association, which is comprised of 30 individual cities/towns. The age groups are G4, G6 and G8. There are multiple levels of play within Essex County. Teams are scheduled to play 8 games in the Fall and 8 games in the Spring (4 home and 4 away). All regularly scheduled travel games are held on Saturdays. Away games are within the borders of Essex County.

Each player must tryout every year. No child is automatically placed on a certain team. Team assignments are for one full year, Fall/Spring.

The In-Town recreational league is for the U5 through U13 age groups. There is no In-Town program for Eight Graders. We highly encourage current Seventh Graders to try out for placement. An attempt will be made to place all players age U14 (G8) and higher on a travel team. Their placement will depend on their travel tryout ratings.

IMPORTANT INFORMATION – MUST READ AND CONFIRM WITH PARENT/GUARDIAN SIGNATURE ***Player Commitment***

Playing any sport at a higher level requires an extra effort. This effort requires: devotion to the practice it takes to develop skill, the hard work and dedication it takes to hone those skills, the motivation it takes to master those skills and most importantly the commitment the children and their parents make to the other players and parents. **Each player is expected to play in both the Fall and the Spring seasons of the soccer year.** Travel teams typically schedule two 1.5-hour practices per week and attendance is mandatory. A major difference between In-Town and Travel soccer is the level of competition.

We are not asking that children choose soccer as their only sport. However, we are asking that both the child and parents make a serious commitment to travel soccer. If a child participates in multiple sports/activities at the same time, travel soccer should not be considered any less important than the other sports/activities. *Arrangements can be made with your coach to accommodate for other sports/activities on a case-to-case basis.*
Every effort should be made to treat all sporting activities equally.

- **Attendance at all games is mandatory.** Excuses from this requirement include previously communicated commitments, such as family, religious or school events, illness or unforeseeable emergencies.
- Travel teams practice twice per week. **Attendance at both practices is expected from every player with a minimum of one practice per week being mandatory.**
- **The team head coach must inform the Travel Director if a player misses more than three consecutive *unexcused* practices or one game. A review and possible action (i.e. less playing time or removal from the team without refund) may be administered.**
- If a child abandons a travel team after the roster has been administered (or mid-season), he/she is no longer eligible to play for the Methuen Youth Soccer Travel Program going forward. This includes Spring Level teams as well.

Methuen Youth Soccer Association's Tryout Guidelines, Player and Coach Selection and Other Important Policies and Procedures for G4, G6 & G8 can be found on www.methuensoccer.org

All Methuen Parents, Players, Coaches and Spectators **MUST** conduct themselves properly. Improper and irresponsible behavior to teammates, coaches, parents, officials or opposing teams is cause for disciplinary action with removal from the team and/or suspension from further participation.

Playing on a travel team is a privilege and not a right.

Tryouts

The tryout process is the most important part of the selection process. We have put together a process based on years of experience and input from our own coaches and from other town leagues. No system is perfect and without flaws.

A player will receive a total of four ratings for their tryout score. These include an on-field game observation (when possible), structured skills observations, 3v3 and 5v5 practice formats and a coach's rating. The first four ratings will be used to compute a composite score to place the player in their ranking. The coach's rating will be used as a comparison to the composite. If there is an apparent discrepancy between the two, a review will take place to fairly evaluate the player.

The Scheduled Travel Tryout Dates for the 2018/2019 Teams:

How we Build our Teams

For G4 teams is a combination of grade 3 and 4 players; G6 teams are a combination of grade 5 and 6 players and for the G8 teams are a combination of grade 7 and 8 players. We will select the teams based on each player's composite score and coach selection criteria. G4 teams play 7v7, G6 teams play 9v9 per, and G8 teams play 11v11.

Additional Team Information

If your child is not placed on a team, and wishes to continue in the sport and is Grade 7 or lower, you must re-register your child in the "In-Town" Recreational League prior to August 1st.

Zero Tolerance Policies and Parent's Code of Conduct
